**LIVES ARE BEING LOST. STREETS ARE UNSAFE.  
IT'S TIME TO FIX AND IMPROVE MEASURE 110.**

Measure 110 was approved by Oregon voters in 2020. The measure promised to improve Oregon's drug use and addiction crisis by dedicating cannabis taxes to fund and deliver expanded treatment and recovery services. It also decriminalized the use of certain hard drugs like fentanyl, heroin, and methamphetamine. Since then, addiction and overdoses skyrocketed, open-air drug use is out of control, and drug-related crimes are rising. It's clear, Measure 110 is not working as promised.

Our goal is to fulfill the promise of Measure 110 – more treatment, more quickly to more people. But with Oregon's juvenile overdose death rate leading the nation, human suffering getting worse, and communities increasingly unsafe, Measure 110 must be fixed to help those most at risk and in need. There are two ways change can happen – voters can fix Measure 110 through a ballot initiative on the November 2024 ballot, or the Governor and legislature can act with greater urgency and pass the initiative language when they meet in February – or sooner in special session.

**INITIATIVE HIGHLIGHTS:**

1. Prohibit the use of hard drugs in public places.
2. Make possession of lethal drugs like fentanyl, meth, and heroin a crime again.
3. Replace voluntary treatment with required addiction treatment.
4. Prioritize diversion, treatment, and recovery over prosecution and jail.
5. Maintain cannabis taxes for expanded prevention, treatment, and recovery; improve oversight and accountability.
6. Expand penalties for drug dealing.

**INITIATIVE DETAILS:**

- Creates new crime of using unlawful drugs in public as an A Misdemeanor.
- Allows local jurisdictions to adopt and enforce laws prohibiting using illegal drugs.
- Returns unlawful possession of drugs to an A Misdemeanor as it was prior to 2020.
- Provides multiple pathways for diversion of unlawful possession of drugs.
- Provides for automatic expunction of misdemeanor drug possession conviction upon successful completion of treatment or probation.
- Adds misdemeanor theft cases to those funded for supervised probation, thus providing funding for treatment and accountability for more users.
- Transfers authority over Measure 110 funding to the Alcohol and Drug Policy Commission (ADPC) and directs the Commission to issue grants to counties, cities, school districts, tribes, and behavioral health recovery networks:
  - ✓ Requires grant applications be approved by the local alcohol and drug policy commission.
  - ✓ Requires grants support prevention, treatment, recovery support, individual harm reduction, and community harm reduction services that are proven to reduce addiction and addiction-related crime.
  - ✓ Prioritizes grants for expanding detox facilities, sobering centers, and treatment facilities and services statewide.
  - ✓ Prioritizes optional community harm reduction programs, such as community courts, diverting persons to detox and treatment, and shutting down open air drug dealing.
- Enhances penalties for drug dealing:
  - ✓ Creates new crime of possession of a tableting or encapsulating machine as a C Felony.
  - ✓ Requires sentence of 36 months for repeat drug dealing convictions with 5 years.
  - ✓ Requires sentence of 58 to 130 months for drug dealing resulting in death, with lesser sentence required or allowed under certain circumstances ("Taylor's Law" from [2023 HB 2906](#)).
  - ✓ Provides that attempted dealing includes possession with intent to deal ("[Boyd fix](#)" from [2022 HB 4135](#)).
